

Dear Parents,

Greetings from CSI!

The School had a meeting of the safety and security committee on August 22, 2017. We are now in the process of collating various possible measures in order to improve our systems. In case you have some thoughts or concerns please forward these to us. The best way is to call: VP (**9599020171**) or HM (**9205659774**) between 2 pm to 4 pm.

Regards,

Principal
