## Book Week

Cambridge School, Indirapuram organised a 'Book Week' for the students. The event was packed with literary activities to encourage reading and writing among students. 'Colour the Sun' and 'Finding Nemo', 'Connect the Dots' were some of the activities organised for the junior students. The senior students presented their innovative ideas through designing an imaginary book cover during the activity, 'Cover the Uncovered'. They also participated in poem and story writing and book review competitions. They also took part in a newspaper designing activity 'D'News'. The students and staff members were felicitated with books and certificates during a special assembly.
